2

*If only he had kept to the original statement he made to the police!*

Choose the best paraphrase for the sentence above.

- A. How lucky that the police realised that his first statement was false!
- B. It was a good thing he did deny the statement he gave to the police.
- C. I wish he hadn't gone back on that first statement he made to the police.
- D. I wish he had deviated from the initial statement he provided to the police.
- E. He should by no means have stuck with his initial statement made to the police!
