Important note: Candidates are required to apply for registration in person or by their power of attorney through the Notary, Embassy or Consulate. Due to the postponement of high school graduation exams to autumn in many countries due to the global epidemic and late graduation, international students will be able to pre-register for the 2020-2021 academic year Fall semester, provided that they complete their high school graduation. Candidates are required to submit the original documents and bank receipt to our University until March 31, 2021.

If the originals of the above-mentioned documents are not submitted until March 31, 2021, or if the documents sent by e-mail do not match the originals, the registration of the candidates will be canceled. The University is authorized to take the necessary legal action against the candidate who has registered by submitting false statements.
