

المؤتمر الدولي  
الخامس والعشرون للقيادات  
**25<sup>th</sup> Global Women Leaders Conference**  
March 8-9, 2023 • Dubai - UAE

Attn the University Chancellor

**Subject: Women Leaders Delegation to  
Dubai Headed by the University (Woibex  
Silver Jubilee Celebration-25 Years)**

**Greetings!**

In the context of achieving the global sustainable gender balance and fostering an environment that provides women with the opportunity of contributing to the future development and highlighting the best achievements and building a vision centered on improving the knowledge and competitive path and providing the best practices in knowledge and innovation to enhance the global competitive position of women leaders.

Woibex aims at building strong relationships amongst the global communities, where the west-east and north-south purposively meets and sets the stage for strengthening knowledge development strategy and to highlight global women's achievements and gather women leaders from different countries, including government, business, media, associations, international institutions, and NGOs under one roof, facilitating unprecedented access to distinguished women leaders.

Datamatix takes the honor of announcing the **(Woibex Silver Jubilee Celebration-25 Years)** in conjunction with the International Women's Day's global celebrations, and the international annual global women leader's events the '**25th Global Women Leaders Conference**, on 8-9 March 2023, in Dubai, On this occasion, as a courtesy from your university a leading national educational institution, who is supporting the next generation women leaders leadership, we formally request for your support and decision, that the university to be a part of this global event by creating and leading a Women Leaders Delegation to Dubai, from the university faculty, students and members, top national corporate, SME's, government and other national organizations, the country official institutions, business women councils members and other women leaders associations.

By participation of the women leaders and distinguished women, they are able to be your University Women Ambassadors in this global conference whilst, endorsing your University educational and supports values and augmenting the objective of establishing a fruitful relationships with the intellectually empowered global women leaders and build a strong and sustainable economic partnership thereby enhancing the depth of the business bilateral relations between your country women and the internal women communities and organizations .

On other hand and to present the SME's and women owned company Brands and Products at this global event, we would like to suggest that these organization to join the event as a Strategic Partner based on the attached offers, your support will enable the event to promote the exchange of global knowledge in various sectors that will support the opening of new horizons for women globally.

We look forward to welcoming your **"University Women Ambassadors Delegation"**
