

# 5<sup>th</sup> INTERNATIONAL GRADUATE RESEARCH SYMPOSIUM - IGRS'26

The International Graduate Research Symposium (IGRS), organized annually by ITU Graduate School since 2022, brings together research from engineering, sciences, architecture, arts, and social sciences. It provides a platform for master's and doctoral studies to be evaluated by experts and shared with a diverse international audience, promoting global academic exchange.

## 11-13 May 2026

ITU Süleyman Demirel Cultural Center  
İstanbul, Türkiye
