His Excellency Mr. Umut Acar
Ambassador Extraordinary and Plenipotentiary
of the Republic of Türkiye to the Republic of Tajikistan

Your Excellency,

On behalf of the State Institution "International University of Tourism and Entrepreneurship of Tajikistan" and on my own behalf, I have the honor to express to You our highest respect and best wishes for Your well-being and continued success in your distinguished diplomatic mission in the Republic of Tajikistan.

I am pleased to inform You that, in coordination with the Government of the Republic of Tajikistan, the University is planning to hold an International Forum entitled "Partnership for Sustainable Development: Green. Digital. Smart," which will take place from 14 to 18 April 2026 in Dushanbe.

Given the high international significance of the Forum, as well as the important role that the Embassy of the Republic of Türkiye in the Republic of Tajikistan plays in the development of bilateral and multilateral cooperation, I would highly appreciate Your esteemed participation in the official opening ceremony of the International Forum, which will take place on April 14, 2026, at 10:00 a.m. in the conference hall of the Executive Body of State Authority of the Dushanbe (40 Rudaki Avenue) and also highly appreciate the opportunity for your participation in the Forum's events as a whole.

In particular, I have the honor to invite You to participate in the Second International Scientific and Practical Conference "The Contribution of the Republic of Tajikistan to the Implementation of the Sustainable Development Goals and the Advancement of Green Diplomacy," which will take place within the framework of the Forum on 16 April 2026 at 10:00 in the Conference Hall of the Hyatt Regency Hotel. The conference will focus on the implementation of the 2030 Agenda for Sustainable Development, the development of green diplomacy, and the strengthening of international academic and expert dialogue.

I would also like to respectfully request Your kind assistance in informing and encouraging the participation of rectors, representatives of the academic and expert community, and leading higher education and research institutions of the Republic of Türkiye. We are confident that their participation would make a significant contribution to the substantive content of the Forum.

All expenses related to accommodation, local transportation, organizational support, as well as international air travel of the rectors, will be fully covered by the host institution.

Your participation as the Head of the diplomatic mission of a friendly state will lend exceptional international significance to the Forum, underscore the strategic value of bilateral cooperation, and make a substantial contribution to strengthening interstate partnership in the fields of sustainable development, green economy, innovative technologies, and artificial intelligence.

Detailed information about the International Forum, its program, and formats of participation can be found on the official website: <https://forum.iutet.tj>

Please accept the assurances of our highest consideration and sincere appreciation and we would be grateful to receive your confirmation of participation and greeting address.

With highest respect,

Professor Asrorzoda Ubaydullo Sattor
Rector

**CONCEPT
INTERNATIONAL FORUM
PARTNERSHIP FOR SUSTAINABLE DEVELOPMENT:
GREEN. DIGITAL. SMART**

International University of Tourism and Entrepreneurship of Tajikistan (IUTET)

14-18 April 2026

1. GENERAL PROVISIONS

The Republic of Tajikistan is one of the global leaders in advancing the sustainable development agenda, ensuring the systematic integration of the Sustainable Development Goals into public policy and putting forward international initiatives that have played a significant role in shaping the global agenda in the areas of water and climate security, the protection of glaciers and the cryosphere, environmental sustainability, green economy, digitalization, and the application of artificial intelligence.

Of particular importance are the global initiatives of the Republic of Tajikistan in the form of United Nations resolutions. It should be noted that over the past 25 years, at the initiative of the Republic of Tajikistan, the UN General Assembly has adopted more than 15 resolutions aimed at ensuring sustainable development, protecting the environment, and promoting the green economy. In addition, in the context of the digital transformation of sustainable development, another initiative of the Republic of Tajikistan has received international recognition – the UN General Assembly resolution A/RES/79/322, “The Role of Artificial Intelligence in Creating New Opportunities for Sustainable Development in Central Asia,” which has significantly strengthened the country’s contribution to promoting an inclusive, responsible, and SDG-oriented approach.

In this context, the International Forum “Cooperation for Sustainable Development: Green. Digital. Smart,” whose goals and objectives stem from the priorities set out in the Address of the President of the Republic of Tajikistan of 16 December 2025, serves as a multilateral international platform. The Forum is aimed at the practical implementation of sustainable socio-economic development and economic modernization through interaction among government institutions, academic and educational institutions, the private sector, international organizations, and civil society associations; coordination of efforts to achieve the Sustainable Development Goals at the global and regional levels; the development of human capital; and the strengthening of society’s intellectual potential.

2. OBJECTIVES

1. Strengthening international academic partnerships in the field of sustainable development.
2. Promoting innovation, digital technologies, and “smart” solutions for a sustainable economy.
3. Supporting youth initiatives, start-ups, and research projects in the areas of ecology, climate, water resources, green energy, and urban development.
4. Showcasing best practices in education, research, and entrepreneurship.
5. Promoting and providing institutional support for the Republic of Tajikistan’s global and international initiatives in the fields of sustainable development, digital transformation, and the responsible use of artificial intelligence.

3. TASKS

- Establishing an expert platform to discuss global and regional sustainable development challenges;
- Developing international educational and research consortia;
- Encouraging youth participation in environmental and innovation projects;
- Supporting entrepreneurial initiatives related to green technologies, digitalization, and smart solutions;
- Building a system for knowledge- and experience-sharing among universities, research centers, and the private sector.

4. FORUM FORMATS

- International scientific and practical conference;
- Sustainable Universities' Rectors Summit;
- International Green Business Forum;
- International Youth Environmental Forum;
- Environmental camp in the city of Levakant;
- Exhibition of educational, scientific, and innovation projects;
- Student Olympiads, competitions, and start-up initiatives in various areas;
- Cultural and sports events;
- Other side events within the framework of the Forum.

5. ANTICIPATED RESULTS

- Establishing sustainable mechanisms for international cooperation;
- Developing new research and educational projects;
- Building a youth environmental community to implement climate initiatives;
- Producing innovative solutions through the eco-hackathon;
- Expanding the green business sector and advancing the Environment, Social and Governance (ESG) agenda;
- Strengthening the IUTET position as an international hub for sustainable development.

6. PARTICIPANTS

- Government institutions;
- Universities and educational institutions;
- Think-tanks;
- Diplomatic corps and international organizations;
- Private sector and business associations;
- Youth and start-up communities;
- Environmental and volunteer organizations.
